Govan C Tenants & Residents Association
“Help us to help you, to help yourselves”

In attendance, community Police, Govan Housing, local councillors, and your committee.

There is usually a session at the end where your issues can be discussed with a Govan Housing Association officer.

Our Chairperson will also discuss the work done throughout the past year.

As ever, we need your support and comments so that we can continue to do our best in representing your interests.

A free bus will be leaving Govan town hall at 6:30pm and is currently planned to return at 9:00pm
