Govan is our home. We appreciate its rich and diverse history. We love the area and want others to love it too.

**So join us in our mission to rediscover Govan!**

Meet Me in Govan is a weekly walking group where you can hear stories about Govan's past and present, share your own stories and experiences, and find out what's going on in the area.

Everyone is welcome to join our walks and learn more about Govan, meet new people, and most importantly have fun!

Don't forget to wear clothing and shoes appropriate for the weather.
